Dear Pastor:

We like to make initial contact with the folks we are going to be ministering with before we actually meet. There's nothing like "looking forward" to something you know is just going to happen, right! With that in mind, we send these out with the goal of setting eager expectations of excellence of ministry, and results. To do this, we have prepared in a resume fashion, a packet we want to provide to you that should tell you a little bit about us, indicating our drive, our motivation, our goals, any training and experience we may bring to the table, and the type of character you are going to be dealing with.

Character is an important factor in our ministry, and with that, trust. We treasure your trust, and we want to be able to place trust in you as well. Trust is easily lost, but not near as easy to restore. Once lost, trust is sometimes impossible to get back. Our ministry is based on 3 principle pillars of character. These are: (1) honor, (2) integrity, and (3) dignity. These three items make up the principle foundations that make a minister of the Lord someone who is reliable and responsible – someone who has "character". If you have to spend a lot of time getting to a point where you can trust us, then we're doing something wrong! There is no reason you should have to wait several years to come to a point where you feel comfortable and at peace in working with us.

I've been in a situation where my trust was betrayed ... and from personal experience I know beyond a shadow of a doubt just how that feels! As a result of that, I've become a real firm believer in relationships! If we're going to work together in ministry, then we are undertaking something special, together, as a team, and we're doing it in the name of Jesus! In the same fashion that I would not consider taking on a business partner I didn't know and have confidence in, I know that you would not consider working with someone, closely, in ministry unless you have a great deal of confidence and trust in them!

Please review the following pages, and get to know us, what we're about, and what we do. Feel free to jot down anything that comes to mind and ask questions when we talk again. I will do my best to answer your questions, and settle any concerns you might have. It is important to me that this be the beginning of a "relationship" ... we plan to be an asset, and a vital part of your ministry – someone you can call on, and rely on, when you need help or assistance ... so consider this the "first step" towards our working relationship in ministry, and consider us new partners in helping "you" in your ministry. We're here to serve!

Sincerely,

Rich Allcorn

BIOGRAPHY

OBJECTIVE & PROFILE

To provide information, background materials and history, in an effort to make you better acquainted with us, our ministry, and its credibility. There are three pillars of character which are important items by which I live my life: integrity, honor, and dignity. I live by these. I am by no means perfect, but these are the “bit” that I place in my mouth that directs and restrains my actions, my thought life and my heart.

The objective of this document is to provide you with ample information and references to help build a trust relationship between us. My view, my take, my focus on ministry is this: We work for God – period! There is no pulling anything off that He doesn’t see, or any hidden agendas that He doesn’t know about, and no deception, mis-direction or two-faced behavior that He’s not going to find out about ... so it’s best just to be honest, open and true.

We work for God, with His purposes and His vision in-mind, and His Word is the final authority in our lives. So with that being said, I will stand before you as a servant of the Lord, as one of His sons, and as your brother in Christ. May the Lord God bless you spiritually, financially, and in wondrous health, with the same measure that you bless me with while we work together, in ministry.

FIVE-FOLD MINISTRY OFFICE

Apostle	My primary calling is as an apostle.
Prophet	My former calling, before God promoted me, was as a prophet. I still retain the strong devotion towards God that comes from that ministry and calling.
Evangelist	I minister whenever possible as an Evangelist, and have worked hard to learn, and continue to learn, the different facets and techniques unique to witnessing and preaching to various groups.
Pastor	I’ve served many times as sr. pastor, associate pastor, as a men’s pastor, and have a healthy respect for the position. I currently serve as an apostle, and one facet of that calling is that of being a pastor over other pastors. I believe that a pastor should be like a “father” in his position, with all the responsibilities and ties that go with that office. I have great respect for this position.
Teacher	This one is my primary motivational gift, and is my favorite! I love to teach and I am working on several writing and teaching projects now. I am also designing a e-teaching classroom and design layout for in-house teaching, to allow for remote e-teaching, video conferences, and video training.

SALVATION – CHRISTIAN WALK

- Saved -

FIRST BAPTIST CHURCH, Ballinger TX

Pastor: Ferris Akins

in my local church I accepted Jesus as Lord and Savior!

- At the age of 8yrs old, I accepted Jesus as Lord and Savior. I was asked to wait a year or so to make sure.
- I returned the following year at the age of 9 saying, "I got saved last year! I want to get baptized this year!" With that statement, the profession of faith was accepted as 'true' and solid!
- At the age of 12 years old, I rededicated my life at a Billy Graham film, "Time To Run". At this point in my life, I began seriously committed to the calling of God on my life.

- Filled with the Holy Spirit -

at a Home Study Group, somewhere near Abilene TX

At the age of 13yrs old, I received the filling of the Holy Spirit. My mother, while on a return trip from Abilene, stumbled in on an impromptu prayer meeting put together by God just for her! It was during this time that she received the baptism of the Holy Spirit, and later that same day, I would discover the fire and the power of the Holy Spirit himself.

- Called Into Full-Time Ministry -

HILLCREST BAPTIST CHURCH, Austin TX

Pastor: Kenneth Morgan

- It was here, in the year of 1980 at the age of 22, that I discovered the FAITH MESSAGE.
- A young union pipe-fitter named Mike Brown*, who would later end up being one of my pastors, was teaching the faith message in bible studies he was holding on Sunday evenings for the Young Adults department. My heart was stirred as Mike introduce me to the teachings of a preacher via television named Kenneth Copeland. (see WINDY HILL CHRISTIAN CENTER above)
- Kenneth Copeland's faith message changed my life, turned it around, and I got to the point where I had to move on from my Baptist church environment, and grow in the Lord. I surrendered to the Lord for full time ministry there, during this time period.
- In the military at the time, I was re-assigned to George Air Force Base in California, where immediately upon arrival I took leave and attended the 1980 West Coast Believer's Convention. The teachings I acquired there just furthered along my newfound faith in the Word as "final authority" in my life! (see CHRISTIAN COFFEE HOUSE in Resume History above)

- Surrender to Full-Time Service -

at my home residence , Round Rock TX

Pastor: Tory Gant

- It was here, at the time just before 9-1-1 ... (the September 11th attack on New York) that I gave up trying everything else but what I was called to do ... "preach"!
- My wife and I, before the Lord, officially accepted the calling into Full Time Ministry

A FEW SPECIAL PROPHECIES AMONG MANY ...

WEST COAST BELIEVERS CONVENTION

KENNETH COPELAND: Wednesday, June 18, 1980 (19:00-21:00 PDT)

Financial problems, 'n' the little spikes that hurt when you want to give and hurt when you want to do the work of God, and you say, "GOD! Is there any end to this?!"

Yes! Yes, there is! It's not an easy walk. The walk that God's planned for you is not an easy walk. The walk of rich men is never easy! But you'll be a wealthy man. And you'll be like Abraham of old, and you'll say, "Let no man say that men made me rich but Almighty God! For God is my source, and God is my supply!" And not only will you give lip service to it but you'll put action behind it! And you'll not keep nor hoard that which God gives you but it'll flow into the kingdom of God, and it'll be more and more and more and more.

Now there's a few more dark things that are going to come at you and try you, but just smile and walk as He is in the light, and the darkness and the devils that have been raking you and bothering you and causing situations to look like there's no way out, 'll just have to take a sidestep 'cause a man of God has come on the scene, and there will be many that'll raise their hands and say, "If it hadn't been for this man, we never would've heard the Gospel of Jesus Christ!"

MARANATHA CHRISTIAN CENTER

ALAN TOMLIN: Saturday, January 21, 1984 (14:00-15:30 CST)

... For as in the days of old when my anointing would come upon men, and they would speak, I say Richard, you shall speak as an oracle of God unto me. I say that I have called you to be my spokesman, and I have called you to be my mouthpiece, and I say you shall be a preacher among men, you shall be a mighty man of God, and you shall be one who would surely put, and run the thousands away, for I say that a mantle of authority have I placed upon you, and a mantle of anointing have I placed upon you, and everywhere your soul shall tread, I shall give it to you, saith the Lord. And also I say that everywhere I shall send you, you shall speak my word with an anointing from upon high. So my son, I would say that, that anointing abides within you, and I say that I shall bless you wherever you go, saith your Father and saith your Lord.

MARANATHA FELLOWSHIP - AUSTIN TX
NICK PAPPIS: Saturday, October 18, 1986 (19:00-21:00 CST)

"Wanderer, oh wanderer in the dry desert places - Know that I've not caused you to circle the mountain, but I've called you forth, that my word might rest in your heart, and my spirit might well up within you in abundance, and flow out to others. For I put a vision and a dream in your heart, years ago, but you've let the vision and the dream die. Even though there's a facade of joy and contentment, I know your heart, says the Lord, and you've been wandering. You've been circling a mountain without beginning, without end, -- and I would say wanderer, wanderer, when will you come to my first call? When will you come back to the word that I first spoke to you to see my ministry, and my purposes fulfilled in your heart?"

"For I'm gonna speak to you in this night's season. I'm gonna speak 'very clearly' to you: you need direction, you need refreshing, you need a renewing- an empowering. I want you to be obedient, says the Lord."

CHURCH ON THE MOVE
DON ALDRIDGE: Sunday, April 10, 1994 (10:15-12:00 CDT)

In the name of Jesus, I lay hands on this man of God, and I speak "LIFE" into his "spirit", his "home", and his "heart"! "You will finish the ministry that I've called you to. You never started it, but you'll finish it! It's as great as you saw it to be, and it is before the people I've shown you it'd be before, and it'll be a great and mighty anointed one, so don't turn loose of it any longer ... it died, but now I'm putting My Life in it", sayest the Lord! "I'm raising it up! You grab hold of it! You embrace it! 'n you see what's gonna happen for I'm gonna do what you couldn't do, and its going to be 'powerful!'" Receive the anointing for that ministry - RECEIVE IT! ... in Jesus name.

WINDY HILL CHRISTIAN CENTER
JANET CREWS: Sunday, April 3, 2005 (10:00-12:00 CDT)

Somebody needs to get behind him ... wooh! The glory is going to hit this man like never before! (lays hands on me) My God, my God, my God ... faithful - faithful - faithful - faithful - faithful! ... a new mantle of anointing! ... a new, oh God! ... YES! OH MY GOD! (I was then slain in the spirit) Oh my God, oh Jesus ... my God, my God, my God! ... (still on the floor) Favor upon you like never before! Opened doors like never before! 'OPENED!' - 'OPENED!' - 'OPENED!' Doors that have been locked shut for years ... O P E N E D !

HOLIDAY INN EXPRESS – CEDAR PARK, TX

GARY MORSE: Sunday, September 28, 2008 (19:00-21:00 CST)

The Lord wants to encourage you tonight, because the Lord says that you are not your choices. The Lord is fixing to do some new things in your life. There was a season, this pastoring, this church or whatever ... the Lord says it wasn't the right time. It wasn't the right season for it. You were out of ... I'll be honest with you ... you were out of step, you were out of time. We've all been out of step and out of time. I've done it myself.

The Lord just says the calling is real, and the anointing is real, but you've got God's Word and His will that compliments itself ... you've also got God's "way". The way of God is timing. And that's where the timing ... but the Lord says now during this process I'm going to do some healing inside of you. I'm doing some realigning ... restructuring, some things even in your own home, even in your own personal life. I'm re-establishing some things in your own personal life. I'm going to begin to do a purging and a pruning and a purifying, even in the area of character and integrity and ethics. The Lord says, "I'm gonna make some things even stronger."

The Lords says "Because I am going to bring into your life faithful people, people you can depend on, people that have ... "your" ... best interest at heart. That hasn't been the case in the past. There have been a lot of people with their own agenda's.

This next time around when you launch out you won't launch out ... you will not go ... you will not just be one who "went", you'll be one who was "sent" ... with honor! This next time when you go out, everything is going to fall into place. That doesn't mean that everything you establish is going to be "easy" ... there'll be a fight in the realm of the spirit ... there always is! But the Lord says, "I'm going to send you and I'm going to establish you and I'm going to bring about My plan and purpose for your life the way it was intended to be from the very beginning!

The Lord says, "I'm always going to mend some fences between you and some other people, other leaders or whatever ... I don't know all what, all there is, but I do know that there's going to be a healing between some people that were in your life that maybe, some things didn't pan out right or they were close to you - they're no longer close ... all I know is with maybe some other pastors or other ministers ... I'm going mend some fences and I'm gonna heal some hearts and I'm gonna re-establish some things that have been torn down, the Lord says.

MARGARITA RESTAURANT – LIBERTY HILL, TX
GARY MORSE: Friday, March 20, 2009 (19:00-21:00 CST)

This is what I hear the Lord saying. "I'm bringing new connections into your life. And I'm gonna take you to some new places! The Lord says, "I'm establishing you at another level! And at this new level, there is going to be come 'key dis-connections' that are going to happen." The Lords says, "At the same time I'm going to bring key 'connections'. Not every connection is ordained to go with you to every level, but the Lord says I am taking you to a new place! I'm taking you to a new level! I'm taking you to a new arena!"

That's what I'm hearing! "It's a new arena ... it's a new ... a new area! More so, a new way of ministry, because of the fresh revelation that I am about to give you. I'm fixing to illuminate some things! It's a time of revelation, it's a time of revealing, that I'm about to bring you into, this new place of revealing, a new place of new revelation.

Not everybody is going to perceive it. Not everybody is going to embrace it. But," the Lord says, "Do not try to hang on to what I'm purging, because I'm going to purge out the old and I'm going to begin to re-establish some new things ... new people ... new connections ... new visions!

HOLIDAY INN EXPRESS – CEDAR PARK, TX
GARY MORSE: Wednesday, June 03, 2009 (19:00-21:00 CDT)

Rich! Transition and change ... in your home! I'm hearing transition - "shifting"! Oh my Gosh! You know what I saw? It was like a table! You know like when you watch television programs, and it's like "Let's Make A Deal" and they move the curtains back, and they ... This whole stage begins to rotate a little bit! I'm seeing a rotation, I'm seeing transition. I'm seeing things begin to slowwwwwly shift!

Well what's happening is things are beginning to shift in your own life, and as they begin to shift and turn, you're begging to see one thing from one angle, but as it begins to position you are beginning to see it from different angles. The Lord says, "I'm positioning you to see my plan and purpose from another different angle." The Lord says.

"You've been looking at it from one angle, but I'm fixing to broaden your vision, and I'm going to broaden the horizon and I'm going to shift and turn some things around, and I'm going to begin to show you my plan from a different angle!"

The Lord says, "It's gonna change the way you walk, it's gonna change your passion, it's gonna change your zeal," but the Lord says "Get ready! There's a major transition coming! Major, major breakthrough!"

Oh! And I also saw this! A "gushing"! Like a waterfall, "a gushing forth of a new revelation of the word," the Lord says! He's bringing a "fresh revelation"! Information! Inspiration of the Word! Fresh revelation ... is coming!

STARBUCKS COFEE – ROUND ROCK, TX
BENJAMIN ANYACHO: Thursday, July 30, 2009 (9:00-11:00 CDT)

“Rich, has anyone ever told you that you have the anointing of an apostle? I sense this! The reason you keep hitting a brick wall, the reason your efforts are being held back, is because the spiritual forces over this region do not want to see an apostle recognize his calling.

If you step out in what God has called you to do, they know they are in trouble! The calling that God has placed upon your life is why they are attacking you ... why they are trying to keep you from branching out into ministry full time. Have you ever been told this before?”

(I briefly shared with him my visions of what God has called me to do, and showed him our websites – sotmi.org, wordchurch.info, richallcorn.org, and recanted the different times I’ve had this spoken over my life before)

“It is no wonder that these things are after you, my friend! You definitely have that calling on your life. We are going to need to pray together, to break through these attacks, and see you to step out into your calling.

For the next six weeks, we need to pray together, and do spiritual warfare, to break this thing down over you, for you are an apostle!”

BIOGRAPHY

In the early hours of the morning of November 2nd, 1958, at 2:00am **Richard Alan Allcorn** was born to the proud parents of Joe and Shirley Allcorn, in Coleman County, in the small town of Coleman Texas. The local hospital records his birth at 2:00am central time. Born with what is called a “prophet’s veil” on his face, Rich was fore ordained by God in his calling to serve mankind as a servant of the Most High, a prophet, and a spokesman for the Kingdom of Heaven.

Rich was saved at the age of 8 years old, and was baptized the following year in Ballinger Texas, at the First Baptist Church of Ballinger. At the age of 12 he was asked to teach the Adult Sunday School Department their Sunday school lesson, and was often asked for return visits afterwards. At thirteen, Rich was baptized in the Holy Ghost, in a small West Texas community, on their way back from Abilene, Texas. His life would never be the same afterwards.

Rich enlisted in the United States Air Force at the age of 18, and after basic training in San Antonio, Texas, and technical training in Biloxi, Mississippi, he was assigned to Bergstrom Air Force Base in Austin Texas. He began attending the Hillcrest Baptist Church there in Austin, where he met Mike Brown. At the time, Mike was an upcoming teacher of the Word and was teaching the youth departments about faith, following the teachings of Kenneth Copeland, and Kenneth Hagin, to name a few. Mike later became a full-time minister, and obtained his doctorate degree in Biblical and Theological Studies.

Re-assigned to George Air Force Base just 2 years later, Rich took these teaching with him and upon arrival in Victorville, California, he immediately applied for 1 week of leave (vacation) to attend his first Believer’s Convention in Long Beach, California. After receiving a personal prophecy from Kenneth Copeland during the meeting, Rich’s life spiraled upward in the study of the Word and in preaching.

Today, he has served in various areas of the church, to gain more experience in the different facets of ministry, and has served as a Sunday school teacher, Men’s Pastor, Singer in the praise and worship team, Praise and Worship Leader, Sound Department Director, Associate Pastor, and Sr. Pastor in various ministries. He met his wife, Jane, in March of 1996 and they were later married that same year on Sunday, July 7th, 1996.

Ministries.

Rich and Jane went on to train in the church, and moved their membership to Windy Hill Christian Center, where his former acquaintance, Pastor Mike Brown, was pastor. While there, they served and trained in various areas of ministry, and both obtained their ministers license, and earned their Bachelor’s Degrees in Biblical and Theological Studies. They were later ordained through House of Power Outreach, and then through Spirit of Truth

After leaving Windy Hill Christian Center, Rich and Jane worked with Corey Ross in starting the Williamson County Cowboy Church. They served there as Associate Pastors, and Rich sang in the band, for over a year. In April of 2006, Rich and Jane decided to leave their Associate Pastor positions with the Williamson County Cowboy Church (Liberty Hill, Texas), and with the blessings of their pastor, Corey Ross, they endeavored to start a church of their own – WORD CHURCH.

After some moves in places to meet, it became clear to Rich that he need to better prepare with a “core group” of believers before he attempted to start such a large undertaking. They continue to serve under Rich Allcorn Ministries, and retain the name of Word Church, for use through the ministry Spirit of Truth Ministries, for world outreach, teaching, and travels, and for pasturing those in the field ministry who do not have pastors to help them in support of their ministries.

First, and foremost, Rich is a cowboy. He grew up ranching on a 675 acre ranch out in the Central-West Texas area between San Angelo and Abilene Texas, in Ballinger. The ranch itself is located in the Talpa and Crews areas, just 15 miles from Ballinger. Rich misses the ranch, and ranch life, and to this day, he and Corey Ross (the Williamson County Cowboy Church), keep in close touch and are affiliate partners with one another’s ministries. “He’s like a brother to me.”, Rich says. He’s very protective of this brother in the Lord, and the ministry at the cowboy church that they both believe in.

Today, Rich is pastoring Word Church, and is writing his teaching books and training materials, to have material that is easily and inexpensively passed along, not just here stateside, but in other countries as well. The proceeds from his materials goes back into the various ministry efforts they have to get the gospel out, and to teach others to do the same.

With invitations to come and teach and preach in many areas of Africa, India, the Philippines, and many other foreign countries, as well as in the U.S., Rich sees a need to be able to finance these travels and the ministry to carry out these callings. He hopes to be able to do this through the royalties obtained from the books he writes, and from his various business ventures, and from supporters and partners who believe in the calling God has placed upon his life!

Rich is all about teaching the “cowboy way” ... a life of honor, integrity, and character. He’s the real deal. Some of America’s best heroes were cowboys. “We’ve just gotten too busy now to pay attention. But that stuff still matters”, says Rich. “Core values are vital to the integrity and character of man!” he preaches. Rich is also a big “covenant man” too! He doesn’t just “believe”, but he “knows” that he has a covenant with God! He’s had God heal his vision, and totally and completely restore his heart (from a heart attack), and he “knows” that God wants His kids to be prosperous! Rich understands covenant, and beliefs of covenant relationships run deep where he’s concerned.

He’ll be the first to tell you about “the real deal” ... a covenant with God that will change your life, forever! He sees it this way ... “If ya’ don’t know Jesus, then all in the world money is going to do, is to ruin ya’!” Money is not the answer to a man’s problems. With Jesus, though, even a man’s money problems can be worked out. And his body can be healed, his marriage restored, and all that he has can begin to prosper right there before him!

Rich Allcorn

If you would like to have Rich or Jane come, and speak at one of your meetings, in your church, or at an outdoor gathering, please use the information on their website to contact them. They are both available for teaching, separately or together. They are great entertainment as a team! These two are like the "Mad About You" couple on TV years ago, say many. They're a fun team to watch, and to learn from. And they are available, as time permits, for evangelist meetings, for concerts (yes, Rich sings too!), and even to come and talk to your group, about marriage, about getting their finances in order, and about settling the most important priority in your life ... your walk with God.
